

Summary of Safer at Home Capacity Limits Under CDPHE's Dial Framework

Below is a summary of Safer at Home capacity limits for various businesses and activities according to the Colorado Department of Public Health and Environment's (CDPHE) [Dial Framework](#). Jefferson County is currently under "Safer at Home Level 2 – Concern," but a recent increase in COVID-19 case counts places the county at risk for tighter restrictions, including potentially being moved to "Safer at Home Level 3 – High Risk" and our local variance being rescinded.
