**Are you tired of writing checks to pay your utility bill?  
 Why not pay it electronically?**

It's fast, easy and doesn't cost additional fees or service charges.

Here's how it works: Your monthly statement is mailed to you at least fifteen (15) days before the payment is due. The fifteen (15) days gives you ample time to contact us if you have questions regarding the statement. Payment will be deducted from your checking account by EFT (electronic funds transfer) on the 25<sup>th</sup> of the month.

The Utility Billing Division is happy to assist you in setting up an EFT agreement. Just complete the sign-up card below and return it with your current payment. Please contact us at (303)384-8026 with any questions you may have. The first payment will be deducted after receipt of your next monthly utility statement.
