

Camp Information Changes for Parents 2021

Our goal for the summer of 2021 is to provide safe, appropriate childcare for working families who need it. With the current health guidelines pertaining to COVID-19, camp is going to look different. We've outlined the changes that parents should expect from our program to keep everyone safe, healthy and happy day by day. We are following all applicable CDC, health department, local, State and licensing guidelines.

• Schedule and contact

- Modified camp hours will be from 7:30 am – 5:00 pm to allow for staggered drop off and pick up times and *to ensure proper disinfection*
- Field trips only to SPLASH for the 7-12-year-old campers, limiting 60 kids on Thursdays.
- Swimming will be at the Golden Community Center once per week for the 5-6-year-old campers on Wednesday.
- Walking field trips are permitted to nearby parks and activities
- Group sizes will be limited to no more than 20 kids per 2 counselors
- The groups will remain the same throughout the day.
- Six feet distance requirement whenever possible of all staff and participants.
- The daily schedule is available at the end of this document.
- We will continue to send weekly activities the week before your child is enrolled.

• Drop off and Pick up

- The Golden Community Center will dedicate its own camp entry and exit.
- Drop off and Pick up will occur curbside. Parents and adults will not be permitted to enter the building to prevent any additional exposure.
- Health checks including temperature screening and questions will be performed daily.
- Adults must wear masks when interacting with camp staff.
- Children will be required to wash hands immediately at drop off and before pick up and at regular intervals throughout the day. Parents can assist in advance by teaching their children good hand-washing techniques.

• Materials

- Every child will have their own mesh bag of art supplies to include markers, coloring pencils/crayons, scissors, glue or other items.
- If you feel safer having your child bring in their own art supplies i.e. scissors, markers, paper, you are welcome to do so.
- No toys from home will be allowed at camp.
- All materials and toys will be disinfected at the end of each day.

• Masks

- Masks are required for all participants and staff in keeping with State recommendations. Masks will be worn whenever possible.
- Parents must provide a mask for their child. Parents can help by practicing mask wearing in advance with their child.
- Parents and guardians are required to wear masks at all drop off and pick up times when interacting with staff.

• Sunscreen

- We are happy to provide sunscreen for your child for \$15 sunscreen fee.

- If you do not register for the sunscreen fee, please provide one bottle of **spray** sunscreen for your child
- Sunscreen will be stored in each child's zipped up backpacks preferably in a Ziploc bag with their name.
- Camp counselors will supervise children putting on sunscreen.
- Parents – you can help train your kids on how to put lotion/sunscreen on them appropriately.

• Hand washing/bathroom breaks

- Campers and Counselors will wash hands at all transitions during our daily activities
- Camp will utilize the same bathroom and only camp will be able to utilize these bathrooms at this time.
- Bathrooms will be cleaned and disinfected regularly.
