CALL TO ORDER – BUSINESS MEETING:

Philip called the business meeting to order at 6:30.

APPROVAL OF AGENDA:

The agenda was approved unanimously, but since Steve Glueck was attending for a short time, it was agreed that the 2013 Annual Report review would be done first on the agenda.

APPROVAL OF MINUTES FROM JANUARY 23, 2013:

With a motion from Phillip and a second by Whitney, the minutes were unanimously approved.
Community Solar Garden sites are being located and they are now focusing on a possible site at Rooney Road – 6 or 7 acres and we will be asking Xcel for a potential lease. City is drafting an MOU right now for them to look at and if this moves forward, we could be in a good position for an application in June.

McKinstry Performance Contract – Have a plan moving forward and focusing on solar goals only at this time. This could get us 8 or 10 sites and we could potentially get to 25% of our 50% goal. Will be finalizing the timeline and take to Council.

NEXT MEETING:
April 11 – Phillip will present to Council
Joint meeting with City Council

April 24 –
Funded Projects for 2013
