

ADMINISTRATIVE ORDER CONCERNING FACE COVERINGS ON PUBLIC PROPERTY

In accordance with the authority granted to the City Manager pursuant to Sections 2.08.110 and 8.25.010 of the Golden Municipal Code, this Order requires that, as a condition of ingress, movement, or interaction with City employees or with the public within all City of Golden facilities and all City-owned property, members of the public must wear face masks or other face coverings within such locations, when social distancing of six (6) feet between individuals cannot be achieved. This Order is **effective at 12:01 a.m. MST on Thursday, July 2, 2020.**

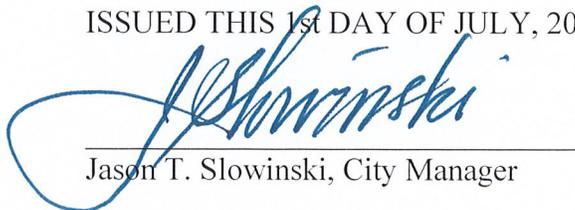

All individuals must wear a mask or face covering that covers the nose and mouth upon entering or exiting, moving within, or while interacting with City employees or with the public within a City of Golden facility or upon City of Golden property, when social distancing of six (6) feet cannot be achieved, except where doing so would inhibit that individual's health or inhibit law enforcement functions, including verifying an individual's physical identification.

This Order is necessary to protect the public health and safety of Golden residents, visitors, and City of Golden employees, at a time when large gatherings of individuals further risks the spread of the COVID-19 disease, for which the Golden City Council has declared a local public health emergency. The declaration of local public health emergency due to the COVID-19 disease is and continues to be in effect in the City of Golden.

Any person who fails to comply with this Administrative Order shall be served with a copy of this Administrative Order and may be ordered to comply with the Order or vacate City of Golden property that is subject to this Order. Refusal to vacate such premises after being ordered to do so, pursuant to this Administrative Order, may constitute a trespass under the Colorado Revised Statutes and the City of Golden Municipal Code.

This Order is in effect until rescinded by the City Manager or by further action of the Golden City Council.

ISSUED THIS 1ST DAY OF JULY, 2020.

Jason T. Slowinski, City Manager
