## Minimum 24 Hour Notice Required for Approvals

Applicant Name:		
Company Name:		
Email:		
Contact Phone # :		
Billing Address:		
City:	State:	Zip:
Address of project		
Description of project/planned use:		

Your request for construction water use, for the above referenced hydrant, is approved subject to the following conditions:

1. Provide a \$3,500 damage deposit at time of issuance.
2. Pay the meter rental fee of \$1,000 per six months.
3. If the meter is still in use 6 months after the rental date, it must be returned to the PW office for backflow testing. A new application and meter with fees will be issued to the applicant.
4. Take full responsibility for any repairs to damaged city property.
5. All repairs will be performed by the City of Golden and billed to the applicant above.
6. Call or email PW with the meter reading during each of the date periods listed.

Email : [building@cityofgolden.net](mailto:building@cityofgolden.net) Phone: 303-384-8151

March 6 <sup>th</sup> – 20 <sup>th</sup> 20__	Reading:	Date:
June 6 <sup>th</sup> – 20 <sup>th</sup> 20__	Reading:	Date:
Sept. 6 <sup>th</sup> – 20 <sup>th</sup>	Reading:	Date:
Dec. 6 <sup>th</sup> – 20 <sup>th</sup>	Reading:	Date:

Quarterly statements will be billed reflecting the above referenced readings and will be subject to Golden Municipal Code Section 13.08.070 regarding payments and late delinquent charges.

**If the applicant fails to call in the above listed meter with a reading on the said dates, the Applicant will automatically be billed a standard Load Count of 50,000 gallons with all other fees incurred over the time of issuance or last billing, with no further credit issued when actual reading is obtained.**

7. To obtain water from a hydrant, a meter must be used at all times to ensure the water is metered and the backflow assembly is utilized. If not, a penalty up to \$1,000 under Municipal Code 13.08.110 could be administered.
8. Water may only be drawn from the assigned fire hydrant.
9. **During operation only the throttle shall be used for volume control. The fire hydrant shall not be throttled but used only in the full open or fully closed position.**
10. The applicant must comply with all applicable City of Golden and AWWA Water Specifications, including back flow prevention and cross connection standards.
11. City of Golden Fire Department Requirements include:
  - a) Hydrant permitted for use shall remain accessible for Fire Department use at all times. A minimum of a three foot clearance shall be maintained.
  - b) Water meter is to be removed when not in immediate use (i.e. daily) and hydrant appropriately drained after each use.

I certify that I have read and understood the above items and I agree to all conditions of this permit. The information I have provided on this permit is true and correct.
