Welcome to the Golden Fire Department online plan submittal process.

Step-by-Step Process to follow for your Permit Application:

When submitting documents, each section will only accept 1 document: Plan Drawings/Scope of Work is required. You can upload ALL DOCUMENTS HERE if they are combined into 1 document. Cut sheets must be combined into 1 document to be uploaded as well Calcs.
You can view your ‘Lobby’ and ‘Profile’ by clicking arrow on your name in left top corner

Complete your profile (at least time zone, default is EST)

In the lobby you can see submissions, Conversations, Activity and Attachments.
You will see your submissions; type of form, current status, submission date and who it is assigned to.

If you double click the submission you will see details about the submission.

If you click ‘Activity’ it will show activity on the submission.
‘Conversations’ section will have all communication regarding your submittal; any additional information needed, questions, comments and will have the reviewed plans attached under ‘Conversations’ stamped plans and permit certificate will be here. You must review all redline comments and print both to be onsite at all times.
