

**GOLDEN MUNICIPAL COURT
CITY OF GOLDEN, STATE OF COLORADO**

FINE SCHEDULE

Pursuant to the authority vested in the Golden Municipal Court, by reason of the Colorado Revised Statutes, as amended; the Municipal Court Rules of Procedure, set forth by the Supreme Court of the State of Colorado; and the Ordinances of the City of Golden, the Court does hereby adopt this Fine Schedule. This Schedule establishes fines that are payable by plea by mail and specifies those offenses which require a mandatory court appearance. This schedule covers traffic, criminal, and parking violations. Court costs of \$30 shall be assessed on all cases.

MANDATORY COURT APPEARANCES

A defendant must appear in court if the defendant's case meets the following criteria. All other cases are eligible for early payment plea bargain at the discretion of the police officer. If aggravating circumstances exist, an officer may require a mandatory appearance for any charge, even those that would typically be eligible for an Early Payment Plea Bargain.

1. Any offense for which 6 or more points will be assessed against the driver's license;
2. Any traffic accident with damage over \$1000 or resulting in injury or death;
3. Exhibition of Speed or Speed Contests;
4. No Proof of Insurance;
5. All criminal code violations;
6. All juvenile defendants must appear in court with a parent or guardian

TRAFFIC VIOLATIONS

- The maximum penalty for a traffic infraction is a \$500.00 fine.
- The fine shall be calculated by the original points charged.
- If a defendant was involved in an accident and appears in Court, the judge will impose a \$50.00 fine in addition to any other fine imposed. The judge may impose a higher fine if aggravating circumstances exist.
- The fine shall be doubled for Speeding in a School Zone, Speeding in a Construction Zone, Failure to Yield to a School Bus, and Failure to Yield the Right of Way to Pedestrian in School Zone.

Unless otherwise indicated, the fine schedule is based on the original points charged and are as follows:

Points	Fine
0	\$50 [Child Restraint \$75]
1	\$60
2	\$60
3	\$90
4	\$120
5	\$150
6	\$180

If the ticket has 7 or more points, the judge will determine the fine in the judge's discretion.

In Court, the judge will review a defendant's driving history and assess a fine based on that history. This fine will be assessed at the judge's discretion. However, typically the judge will assess an additional \$25 fine for every prior offense in the past two years.

The judge's fine may be higher than that offered on the plea bargain on the ticket. This is because the plea bargain does not take into consideration a defendant's driving history. By appearing in Court, the Defendant has rejected the plea bargain and the offered fine.
