**TextBlock:**

The City of Golden has funding available in 2013 to renovate the play equipment at Norman D. Park. In order to help us understand your preferred playground improvements, we have created a series of questions that will collect input from park users and nearby residents.

Responses to the survey will be used to help guide a preliminary concept for Norman D Park playground improvements. A Public Open House to review the preliminary designs will be held Tuesday, April 16 from 7 to 9 p.m. at the City of Golden Community Center. A second Public Open House will follow on Tuesday, May 7 from 7 to 9pm to review the final design. Please take a moment to help us envision the future of Norman D. Park! Your input and the input of your family are greatly appreciated.
