

RESOLUTION NO. 2160

**A RESOLUTION OF THE GOLDEN CITY COUNCIL
ESTABLISHING RESIDENTIAL WASTE AND RECYCLING
SERVICE FEES**

WHEREAS, Chapter 4.82 of the Golden Municipal Code establishes a residential waste collection program which, in part, authorizes the imposition of fees, set by resolution of City Council, upon residents for the collection of residential waste, including single stream recyclable materials; and

WHEREAS, staff recommends that the fees for waste collection services be based upon the size of the waste container, and that a flat rate be established that includes residential waste, single stream recycling collection, twice-a-year green waste pick up, and the City's administrative costs; and

WHEREAS, City Council finds from the information provided by staff that all such fees are reasonably related to the City's costs incurred in providing residential waste and single stream recycling collection services.
