Permittee

Date

- I understand that it is my responsibility to request a final inspection /release of the remaining Performance Security.

Please note that eligibility for a full release is determined by adequate permanent stormwater quality control features, including established vegetation. In most cases, a minimum of one year from the date of seeding is necessary to determine vegetation establishment.

Public Works Authorization

Date

- I authorize release of the Partial Release total above to the Payee indicated herein from #01-0000-25901
